1. Request

Communications between the Huron County Sheriff's Office and US Customs and Border Patrol and/or US Immigration and Customs Enforcement (ICE) since January 1, 2018.

Response

The Huron County Sheriff's Office does not have a specific data base dedicated to communications between these two agencies. Communications are sporadic at best. I am led to believe that you are asking for phone calls and/or emails. We do not email back and forth between these two agencies. Typically, all communications are done over the phone. We do not have the resources to manually listen to every phone call made to the Sheriff's Office since January 1, 2018 just to see if a call was with either of these two agencies.

2. Request

Records relating to operations conducted between the Huron County Sheriff's Office and US Customs and Border Patrol and/or US Immigration and Customs Enforcement (ICE) since January 1, 2018.

Response

The Huron County Sheriff's Office does not have a specific data base dedicated to operations between these two agencies. This request is not specific as to exactly what is being requested. We are unable to provide any tangible "records" relating to operations between the Huron County Sheriff's Office and US Customs and Border Patrol and/or US Immigration and Customs Enforcement (ICE) since January 1, 2018.

3. Request

Records relating to your agency's cooperation with US Customs and Border Patrol and/or US Immigration and Customs Enforcement

Response

The Huron County Sheriff's Office does not have specific records relating to our cooperation with US Customs and Border Patrol and/or US Immigration and Customs Enforcement. Once again, it is unclear what "records relating to your agencies cooperation" would entail.

4. Request

Records relating to patrols performed by US Customs and Border Patrol and/or US Immigration and Customs Enforcement in our jurisdiction, including any such patrol on **Interstate 5**.

Response

The Huron County Sheriff's Office does not have any records relating to patrols in our jurisdiction. Huron County does not have an **Interstate 5!**

We apologize for the lack of documentation.

Unfortunately, the Sheriff's Office has not conducted any operations with these governmental agencies and we do not keep track of their patrols, especially on **Interstate 5**, which we do not have.
